

The image shows a modern, multi-story building with a glass facade and a large, dark grey atrium. Two large black panels are positioned in the foreground, each displaying the 'RetailTech 247.com' logo. The logo features the word 'RetailTech' in a stylized font with a green and purple color scheme, and '247.com' below it. The background shows a busy atrium with many people walking and talking. The building's architecture is contemporary, with a mix of glass and solid panels. The overall atmosphere is professional and tech-oriented.

THE HOME OF RETAIL TECHNOLOGY

Access to market-leading industry information, 24/7

OUR STORY.

At RetailTech247, we believe there isn't one place that allows potential prospects to get information on retail technology exhibitors and the wider supporting community.

The current marketing opportunities for retail technology providers provides financial challenges for many and restricts the amount of visibility they can get. The costs, and more importantly, the time and climate impact, of attending physical events where members exhibit, are prohibitive for many potential prospects who are just seeking current market understanding and to consider their options.

OUR OBJECTIVE.

With this is mind, we set out to make something different:

- An online digital community where anyone can get easy access and information on every exhibitor in the retail technology space.
- A community where there is no restrictive financial entry barrier to have a presence.
- A community where all exhibitors have an equal status.
- A community that is accessible 24/7 from anywhere in the world.
- A community that provides added value additional information, such as talks, webinars, reports and more.

WHAT DO WE OFFER?

The RetailTech247 exhibition hall allows exhibitors to showcase their retail technology businesses as well allowing visitors to browse dedicated floors such as logistics, marketing map, store tech and much more.

YOUR VIRTUAL SPACE.

It's no different from a real physical exhibition. Your virtual space is branded for you in your colours and with your logos, plus all of your promotional materials available to our visitors. You can customise your space whenever you want, so if you have a new product or a new logo to unveil, you can easily add this via the Client Profile.

EXPLORE OUR BLOG.

The RetailTech247 blog provides tips, advice, guides and interviews on all things in the retail technology industry.

Exhibitors can upload one blog per month to be published on the platform and shared via our social media channels.

Blog

WATCH SEMINARS.

The RetailTech247 Seminar Room provides advice, presentations and interviews on all things about retail technology and the topics in this industry. Exhibitors can upload one seminar per month to be published on the platform and shared via our social media channels.

COMMUNITY NEWS

The RetailTech247 Community News page is great for exhibitors to showcase news specific to their business. Where some news, such as company award or a business rebranding, doesn't fit on the blog nor on their virtual space. This page is dedicated to highlighting these time specific news pieces.
